

PARKING DECAL PROGRAM

The Association is enforcing a MANDATORY PARKING DECAL PROGRAM in order to assist the association in identifying unauthorized vehicles on the property. Every resident who parks a vehicle on the property must obtain and place a parking decal on their vehicle in order to avoid having their vehicle towed. It should be placed on the front window. Do not place it in a way that it cannot be seen. It must be visible! If it is not visible, your vehicle is subject to towing.

In order to obtain the required parking decal, please fill in the following information and drop off this form or bring it with you when you come to pick it up. Be prepared to show identification (driver's license) with your current address or a copy of your current lease, and a copy of the vehicle registration and Insurance. It will help expedite the process.

Vehicle Decals will be assigned to the unit parking space and will be subject to tow if parked in unauthorized space. Lost or replaced tags will be available at a cost of \$15.00 per vehicle.

Tenant understands that parking decal will expire automatically when their lease expires.

Tenant must provide current copy of their lease to obtain a new Parking Permit.

Decal# _____
